Dear NMI President,

Thank you for your willingness to serve in the important role of NMI president. You are the “go to” person for missions in your local church. This booklet has been designed with you in mind. It contains information that will come in handy throughout the year.

Your focus for NMI should be on the four emphases of praying, educating, giving and engaging children and youth; the World Evangelism Fund; Alabaster offering; District Work & Witness offering and LINKS. Incorporating these vital mission activities into the life of your congregation will strengthen both the local body and the worldwide church as we partner together for the gospel.

The NMI website has been undergoing revisions and many links have changed. In this book, I have provided many of these “revised” links for your benefit. Be aware that <http://nazarenemissions.org/> will always point you to the most current version of the website. Because it is always a work in progress, if you have trouble locating something that you need, do not hesitate to contact me.

I encourage you to save a copy of this document to your computer for future reference.

As your District NMI president, one of my responsibilities is to support you in your crucial role of NMI president in your local church. I thank God for each of you and your willingness to serve in this role to support missions (NMI) in your local church.

Serving with joy!

Donna Spivey-Sisk

NC District NMI Local Presidents Resource

The purpose of this resource is to equip the local president to understand the important role of leading the local church in Nazarene Missions International (NMI).

Nazarene Missions International <http://www.nazarene.org/nmi>

The role of the local NMI President is to promote NMI in the local church, in cooperation with the pastor as a voting member of the church board and lead the local NMI council.

- We believe there are five key areas of impact in which every church should participate regardless of their size, location, or language.

- These are the NMI **Top Five Areas of Impact: Prayer, World Evangelism Fund, Alabaster Engaging Children and Youth, and Links.**

- Focusing on these five areas of impact does not diminish other areas of NMI influence. These items are stepping-stones to deeper involvement in missions support through the Church of the Nazarene. They are a way to begin to become involved; they are easily understood, and we are striving for them to be adaptable in every culture. We aim for each church to participate in these five areas, and then adding additional areas of connection, to match the interests and needs of each local congregation or district.

The following awards are given to churches at the annual NC Mission District Advance. We encourage every local church to become a World Evangelism Church and a Missions Priority One Church.

World Evangelism Church

Churches that give at least 5.5% of their income to the World Evangelism Fund have met the minimum goal in their support of the global mission. These churches are the lifeblood of the Church of the Nazarene's mission to the nations.

Below is a link to a **free adult curriculum**- titled Loving our Global Neighbors. It was written and developed by commissioned Missionary Teanna Sunberg. This is an NMI curriculum focused on ministering to refugees. There is a **six lesson children's curriculum included** as well. The MidSouth district has generously chosen to share those.

Here's the link to curriculum: midsouthnmi.org/curriculum This is available in English and Spanish.

This year's theme, "**Made for More (Mark Chapter 2).**" is meant to help us "fine-tune" our focus on missions as a church and to understand our individual and local church role(s) in carrying out that mission to God's glory.

Through stories and scriptures and mission's principles, a vivid tapestry is woven with the threads of passion for the lost, sacrificial giving, and joy in serving the eternal purposes of God in missions.

WORLD EVANGELISM FUND

To learn more about WEF visit: <https://www.nazarene.org/wef> (There are useful videos on this page to share with your church.

Why do we give to the World Evangelism Fund?

World Evangelism Giving is the cornerstone of Nazarene Missions. This denominational fund (WEF) is the foundation for discovering, delivering, and resourcing our mission's organization around the world. Every Nazarene church participates in Nazarene Missions through their contributions to World Evangelism giving. World Evangelism giving is essential for Nazarene Missions initiatives to thrive.

Here are a few examples of ministries that the World Evangelism Fund makes possible through direct funding or the ministry network:

- New churches and ministry outposts
- Missionaries • Regional ministries
- Christian literature and resources
- Partner Ministries such as JESUS Film Harvest Partners, Nazarene Compassionate Ministries, and many more
- Holiness education

What is the easiest way to pay World Evangelism Fund in full?

Contributing weekly or monthly will help the church more easily reach its goal.

- Making contributions online via bank draft is easy at www.FundingTheMission.org.
- Or mail checks to Global Treasury Services, P O Box 843116, Kansas City, MO 64184-3116.
- Mark each contribution for the ending church year (for example, 2020-2021)

What is my church's goal for paying World Evangelism Fund in full?

The goal is to send least 5.5% of adjusted church income for the World Evangelism Fund, as verified by the Annual Pastor's Report submitted to the district in March.

What is the goal for overpaying World Evangelism Fund to reach Church of Excellence?

The goal is to send least 5.7% of adjusted church income or \$1,500 over goal for the World Evangelism Fund, as verified by the Annual Pastor's Report submitted in March

FAITH PROMISE – For more info and videos Click here:

<https://nazarene.org/resources/faith-promise>

Faith Promise is a plan based on missions giving at systematic intervals rather than just twice a year. Through Faith Promise, People pray about the amount they should give for missions (over and above their tithe). The amount is often given weekly, biweekly, or monthly.

How to prepare and plan Faith Promise with your pastor and council:

- a. Set the date and plan a Faith Promise emphasis.
- b. Discuss your specific responsibilities for the Faith Promise emphasis.
- c. Who will be the speaker? Who will book the speaker?
- d. Length of Faith Promise emphasis: Saturday? Sunday morning only? Sunday morning & evening? Saturday night & Sunday morning?
- e. Plan for special gatherings? Friday evening rally, Saturday men's breakfast, women's lunch, teen pizza party Saturday night?

Ask about a missions bulletin board, the church calendar, and how and when the deadlines are for submitting mission information for the Sunday morning church worship folder, church newsletter, or website.

Discuss the amount that needs to be raised for mission for the coming year, starting with the WEF (5.5%), special offerings, local NMI Council expenses, missionary speakers—both care and offerings.

Care and Connections formerly called LINKS

Links is a NMI top 5 area of impact and a strategic ministry 'linking' Nazarene missionaries and Nazarene churches through prayer, personal contact, and generous giving.

Global NMI assigns each District missionary families (Links) every 3 years. DEPUTATION (Deputation Page/ Deputation Secretary's email/ Deputation brochure)

The Church of the Nazarene funds its mission's enterprise, and supports missionary families, through the World Evangelism Fund (WEF), which is given by local churches around the world throughout the year.

Missionaries supplement this fund by traveling to their home country every few years to raise money for specific ministry needs and projects, as well as to share with churches what God is doing around the world and inspire greater involvement with God through missions.

What is a home assignment?

Most Nazarene missionaries visit their home country periodically to raise funds. These trips are called deputation, or home assignment. The money they raise pays for a variety of personal needs including medical expenses, home furnishing, transportation and special mission projects.

When you have a missionary come to your church for a deputation or Faith Promise service, here are a few things to remember while hosting:

Imagine having a Thanksgiving dinner every day for three months. Furlough fat is the fate of missionaries. Taking care of special church guests requires healthy hospitality.

When family comes to our house on vacation, we spoil and indulge them. We stay up late chatting or playing games. We go to the mall to shop for the upcoming family event. It is a break from their routine, a pleasure trip.

For many missionaries, however, travel is their job. They need a different type of caring. This thoughtfulness manifests itself in three fundamental areas: food, sleep and free time.

Potlucks can be challenging places for anyone who has to be careful about his or her health. People are emotionally invested in the food they bring. They want to prepare food the missionary will be talking about years later. They also do not want anyone to go away hungry. There seems to be no graceful way for the guest speaker to say, "I need to lose weight. Support me.

" Food, rest and fun are essential elements for guests to leave ready to carry on with their God-given work. Stamina is needed to constantly travel. Healthy hospitality helps

Our deputation Secretary is Dawn York. Her email is:

ddyork430@gmail.com

Deputation Offering

NOTE NMI no longer makes a suggested offering amount. We do, however, suggest that you allow the missionary to speak before receiving an offering allowing the congregation to respond by giving as the Spirit leads.

All funds collected in the offering should be given to the missionary either by way of a check made out to Global Treasury Services or online through Funding the Mission.

I am including the former offering scale that you are welcome to use. You would still need to provide a check made out to Global Treasury Services or online through Funding the Mission.

The former Deputation offering scale that you can still use if you choose.

Sunday Morning Worship.....	\$400-\$500
Sunday Evening Worship.....	\$250-\$350
Weeknight Gatherings.....	\$225-\$325
Weekend Conventions	\$700- no limit
District NMI Conventions	\$1,000.00
The actual amount will vary according to the size of the church and the distance the missionary travels.

Approved Mission Specials Offerings

These offerings are **over and beyond the WEF**. When a local church gives these offerings through the appropriate channels, that church will receive credit toward Ten Percent recognition.

While all Approved Mission Specials are important and have value to the global mission of the church, NMI places a priority on and promotes the following:

Alabaster – typically received in February and September, may be received once or twice a year according to local church preference. For more information click here:

<https://nazarene.org/alabaster> **Video link:** Over 30,000 USD were received in the first offering celebrating Alabaster's 75 years of laying foundations where people worship, heal, and learn. Additional funds were received, but not counted when the total was shared during the Global NMI Convention [Click here](#): to access the video introducing the Alabaster 75th Anniversary celebration, available in English, French, Korean, Portuguese, and Spanish.

Missionary Care – Missionary care is an important strategy of Nazarene Missions International (NMI) to help provide for personal needs of missionaries. For more information click here: <https://nazarene.org/who-we-are/organization/ministries/nazarene-missions-international/nmi-links>

- These expressions of care include:
 - Care and Connection- LINKS: a strategy for “linking” churches with missionaries through prayer and personal contact.
- Missionary Christmas Fund: provides a monetary Christmas gift for missionaries.
- Missionary Health Care: monies collected through the Memorial Roll and Distinguished Service Award used to subsidize missionary health care costs.
- The Memorial Roll: a way to honor deceased friends and loved ones. A certificate is issued in the name of the person memorialized and is often presented to a family member or displayed in the church.
- Distinguished Service Award: a certificate presented to an individual to recognize outstanding service to God and the church. The presenter (usually a church or district) contributes \$125 to Missionary Health Care.

World Mission Broadcast – Provides electronic media broadcasts of the gospel throughout the world. This offering may be promoted any time the local church may deem best to be most effective. For more information click here: <https://nazarene.org/wmb>

******Churches may include any of the above offerings in the local budget or in faith promise without receiving an offering.***

Nazarene Compassionate Ministries, JESUS Film Harvest Partners Work & Witness, International Student Scholarship Fund, and Books for Pastors will continue to be promoted and churches may support these offerings through faith promise or by other strategies. NCM link-<https://www.ncm.org/>

Be sure to report any other 10% Point to Point giving to missions at your Funding the Mission site

Ten Percent Mission Specials Ministries

The majority of Nazarene ministries are Ten Percent approved, including JESUS Film, Nazarene Compassionate Ministries, registered Work and Witness projects, and registered Compassionate Ministry Centers. To be sure, the ministry you give toward is approved, you can use the following sites to locate needs you would like to donate toward. Some ministries not listed above may also be Ten Percent Specials. If you are unsure about the status of a ministry, please email or call us at 800-544-8413 to find out more.

When a church meets its Funding the Mission giving goals, it is recognized as a World Evangelism Church. When a church also gives ten percent of its total income to mission work via donations to the World Evangelism Fund and Mission Specials, the church reaches its Ten Percent goal and is recognized as a Mission 10 church.

Some generous churches contribute more than 10 percent to the shared global mission. These churches receive recognition in five percent increments beyond the Mission 10 status (mission 15, 20, 25, etc.).

Additionally, Nazarene Missions International recognizes churches that meet their World Evangelism Fund goal at 5.7% as World Evangelism Churches of Excellence.

End of Year Reporting

We are working on having reports entered on the district APP. We will have a zoom call later to discuss this process. If you are not able to be on the zoom call you can get with your pastor as he will have access to this.

I will let you know via email to you and the pastor when the reports have been created and a zoom call date has been set.

NOTE: All church reports are due to be completed and returned by April 30, 2026.

We need a report from EVERY church. Pastors if your church doesn't have a designated person to serve as the NMI President in your church, we ask that you prepare the report for your church using the NMI forms that will be on the district app later this year. Your pastors report does not report for NMI.

Gifts in Kind <https://www.ncmi.org/gifts-in-kind>

Gifts-in-Kind (GIK) is a type of charitable giving in which, instead of giving money to buy needed goods and services, the goods and services are given. As Christians, we give because sharing with others is at the core of the Gospel.

A GIK shipment involves sending a 40-foot container, and in some instances, a 20-foot container, to Nazarene ministries overseas. The container, loaded with GIK items, is transported by truck to a nearby port, then loaded onto a sea vessel and shipped overseas. Containers can be purchased and will remain in the country of destination to be used by the recipient organization. The recipient organization is called the Consignee.

GIK SHIPPING STANDARDS

As a program, Gifts-in-Kind has earned an excellent reputation with several countries' governments that are skeptical of most donating programs. This program deals with an impressive amount of red tape in clearing shipments with different government's customs offices, but has been successful in building relationships and trust. Because of this reputation, we require high standards of quality of the donated goods. In this section you will find many guidelines we ask that you abide by. Please know this is not to be overly picky, but to convey a message of love to the person who will eventually receive it as a gift from his brothers and sisters in Christ.

We follow the GIK Standards set by Accord (formerly known as AERDO). Accord serves Christian organizations and churches to achieve the highest standards, principles and effectiveness in their relief and development efforts. ([Click here to review the Accord GIK Standards](#))

The Gifts-in-Kind program is one of the many ways we as a church body reach out in compassion to provide hope and help to the needy. It is a program made possible by your donations and willingness to volunteer. Thank you for helping us to be the hands and feet of Jesus around the world.

2. Pack contents below into a clear 2-gallon OR 2.5-gallon plastic Ziploc bag and seal:
 - 1 medium-size bottle of shampoo (12-18 oz.), please tape flip-tops closed
 - 2 bars of soap (bath-size or larger)

8. When addressing the box, please put the name and address of the church (or individual donor) on the box in the “From” section and the address of the warehouse in the “To” section.
9. **Do not wrap banana boxes** in brown paper or contact paper or put filled banana boxes inside another box.
10. **Bring the boxes to our MAC (District Convention) and the boxes and required check will be collected at the appointed collection point and time.**

HOW YOU CAN RAISE THE PER BOX SHIPPING COSTS

- Have a line item in your NMI budget.
- Take a special offering.
- Have fundraisers to cover cost. This would be a great project for teens.
- Encourage your church family to share the need with friends, neighbors, and relatives outside of the church.
- Check with business people.
- Pass out Quarter and Dime Coin Collectors (Quarters \$10.00 a roll and Dimes are \$5.00 per roll)

Standards and Goals 2025-2026

It is important that the Nazarene Missions International (NMI) work effectively in helping to carry out the Great Commission. Standards and Goals can help keep us moving in the right direction. Standards set up a rule for measuring. Goals encourage reaching ahead. May we strive to meet and exceed the goals established this year for God's eternal glory. We, your committee on Standards and Goals, recommend the following:

I. Each local church has an organized Nazarene Missions International

A. Enroll all church members participating in the mission program of the local church as active members and enroll as associate members those people who are currently active in the mission program of the local church but are not members of the local congregation.

II. B. Create a mission's event in your local church for children and teens for local missions and foreign missions.

C. Elect a local Work and Witness coordinator and participate in district Work and Witness projects and, if possible, plan a Work and Witness trip from your local church.

D. Elect or appoint a Mission Call Director who actively seeks out, encourages, and gives purposeful direction to children, youth who feel there is a possible call of God on their lives for missionary service. This Director will report the names and contact information for such individuals to the District Mission Call Director and the local pastor. (District Mission Call Coordinator is Bettyanna Bremmer)

Each church pays its World Evangelism Fund (WEF) in full and strives to earn the Award of Excellence.

A. This is achieved through accomplishing one or a combination of the following:

1. Thanksgiving Offering
 2. Easter Offering
 3. Prayer and Fasting Offering
 4. Faith Promise Offering
 5. Any offering designated as WEF Offering
- B. Award of Excellence: overpay the WEF by 3% or \$1,000.00 (whichever is less)

MISSION PRIORITY ONE PROGRAM REQUIREMENTS:

1. Prayer-The church will pray for missions.
2. Global Awareness- The church will use mission's resources and participate in activities to develop global awareness.
3. Children and Youth- the church will provide opportunity for its children and youth to experience missions and to respond to God's call.
4. Giving- The church will pay World Evangelism fund in full.

III. Each local church fulfills the following financial responsibilities:

A. **Pay the North Carolina District budget in full**

B. Send in LINKS offering by September 30 (we are the only District assigned to our LINKS missionaries for one year)

C. Participate in the Medical Plan through:

1. Memorial Roll
2. Distinguished Service Award
3. Special Medical Plan Offering in May
4. Gifts from the Heart

D. **Participate in World Evangelism Broadcast Offering (June emphasis)**

E. **Participate in the Alabaster offering (September and February)**

F. **Participate in the Compassionate Ministries Offering (December emphasis)**

G. **Participate in the District Work and Witness Project Offering (April emphasis)**

H. **Participate in the Nazarene District Disaster Response Offering (October emphasis) (This offering goes toward NDR for our district as we participate in helping in areas affected by a disaster.)**

1. **Project Money goes entirely for materials/supplies to be used on the specific work assignment of the Work and Witness trip.**
2. **Mail to District NMI Treasurer by end of April in order to help fund the Project Money for the District Work and Witness trips each year.**
3. **That each church considers when providing its Work & Witness Project offerings the fact that the General church requires a minimum of \$10,000.00 per Work & Witness Project and that generally North Carolina attempts to have two District Work & Witness trips per year.**
4. **The district encourages each church to have a local mission/ missional area project each year. (The district will try to have one a year when possible)**

H. If possible, each local church will host or co-host a missionary speaker each year and provide Deputation Offering in line with General NMI Handbook and Constitution recommendations.

The following minimum offering scale is suggested:

1. **Sunday Morning Service..... \$400-500**
2. **Sunday Evening Service.....\$250-\$350**
3. **Weekday Service..... \$225-\$325**

4. Faith Promise Convention.....\$700-No limit

5. District NMI Convention.....\$1,000.00

IV. Each local church finds a way to give 10% of the total church income to World Evangelism. Recognizing the impact that churches around the world have found by using Faith Promise giving as one of the most effective and powerful way to raise this WEF completely and even overpay it, every church is encouraged to at least try the method of Faith Promise to raise WEF and 10% giving.

V. Each local church achieves Mission Priority One Award and North Carolina Honor Society status.

PROCEDURES THAT WILL AID AND ASSIST THE LOCAL CHURCH IN REACHING ALL GOALS

1. Participation by each church in an organized PRAYER and fasting program a. Utilizing the [Prayer Mobilization Line](#) by Internet by [clicking here](#) b. Join our district Facebook page by logging on to your Facebook account and then typing [NC District NMI](#)
2. Promotion of mission education. Utilize the calendar of Emphasis links for more information to share with your local church. For this year we encourage churches to purchase and read the two books we mentioned.
3. Annual subscription and reading of the Holiness Today magazine by every church family
4. Use of the current NMI Handbook.
5. Quarterly meetings of the Local NMI Council for planning, promotion and evaluation
6. Participation in available workshops, Missional Area, District and Southeast Regional meetings.
7. If possible, mission education shall be accomplished through monthly local NMI meetings promoting the monthly calendar emphasis, prayer and mission study. Use of a variety of mission education resources is recommended: mission education curriculum now named Living Mission, videos, deputation speakers, dramas, etc. Remember that the curriculum is only a guide and resource and does not have to be covered in detail monthly in order to accomplish true mission education in the local church. We encourage the freedom of each local NMI to provide exciting, interesting, innovative mission education in whatever forum works best for each local congregation. We encourage the regular use of mission spots in Sunday services to reach the greatest number of people.
8. Look for mission opportunities in your community, Ex: Salvation Army, Local homeless shelter.
9. Utilization of available NMI News services
 - a. [Holiness Today](https://www.holinesstoday.org) <https://www.holinesstoday.org>
 - c. [Missionary Profiles](#): for pictures, names, locations of missionaries on the field. <https://give.nazarene.org/category/missionaries>
10. Promoting, hosting and attending services with missionaries on deputation and other mission speakers.
11. District Goal- each church is encouraged to prepare and send at least 1 or more boxes (each) of Crisis Care Kits (CCK's) and School Pal Paks (SPP's)
12. Participation is encouraged to utilize the District Calendar of Emphasis.
13. Participation is encouraged in district projects at district assembly. (Offering and items that may be requested)

Nazarene Disaster Response (NDR)

When a natural disaster strikes, Nazarene Disaster Response provides a way for local Nazarene churches to respond with assistance and resources for the community in need.

Our vision is to empower Nazarenes to respond to their community in practical and tangible ways in any instance of disaster.

For more information visit the NDR website:

<https://www.usacanadaregion.org/compassionate-ministries/nazarene-disaster-response>

Below are photos of one of our two trailers on our district. We have them on each end of the state.

What is NDR? Nazarene Disaster Response (NDR) Unlike other, large disaster response agencies (FEMA, the Red Cross), NDR relies on our churches and volunteers for effective disaster response. Is shorthand for the work of disaster preparedness, response, and recovery in the USA/Canada region. Under the jurisdiction of Nazarene Compassionate Ministries, NDR supports local churches and districts when they are affected by natural or man-made disasters. Training for disaster preparedness and response, mobilizing volunteers and experienced response teams during a crisis, and providing support in long term recovery efforts are among some of NDR's activities.

What does NDR do? Unlike other, large disaster response agencies (FEMA, the Red Cross), NDR relies on our churches and volunteers for effective disaster response. Our goal is to enable them—with training, leadership, relationships, and logistics—to serve each other and the world. In preparation for disasters, NDR hosts trainings, supports preparedness and mitigation activities, and maintains a database of active volunteers and experienced team leaders. During an active disaster response, NDR can provide support for mobilizing volunteers, funding for response activities, technical expertise and advice during complex emergencies, and coordination of work designed to recovery quickly from the impact of a disaster. Because we work through our churches, we have the capacity to assist those impacted for the long term. NDR and NCM prioritize long term recovery programs designed to promote the well being of those affected, rather than more narrowly focusing only on immediate response.

What happens during disaster response? When a disaster occurs in the USA/Canada region, Nazarene Compassionate Ministries staff reaches out to the affected District Superintendents to assess the impact to our communities and congregations. These assessments sometimes indicate a significant impact that requires the church to be active in the recovery. During those times, NCM staff works with the district leaders to determine the scope of the response and how much assistance is needed. NCM will communicate to the broader church the need for funding, items, or volunteers, and will work with the Districts as they develop their plans.

Does NDR accept volunteers? You can volunteer by responding in your local community to a natural disaster; by preparing your church for disaster readiness and response; by joining an NDR project as a volunteer, or by receiving training and developing a church or district response team. NazServe.org is a volunteer database that was developed in part to match up volunteers with NDR projects. Registering on the site is the best way to begin the volunteer process. You can also search for current projects.

Can my church get involved in NDR?

Churches can create plans to prepare themselves for disasters and organize teams or encourage parishioners to sign up as NDR volunteers. If there is a nearby disaster, churches can reach out to victims and partner with local organizations who are responding. Churches can also host outside volunteers, assemble crisis care kits if requested, and operate as shelters for displaced people.

How is money I donate to NDR used to help victims of disaster? Money is sent to a central account, and is disbursed by request to churches or districts affected by disaster. Although NDR exists to serve all people (not just Nazarenes), only Nazarene entities are given funds for disaster response and rehabilitation. Funds for disaster response are typically spent on basic needs (food, water, and shelter), assisting with cleanup costs and debris removal, supporting skilled NDR teams in the field, and responding to the direct needs of those affected.

Do donations to NDR count as 10% mission special giving? Yes they do. To learn about 10% Specials, visit [Stewardship Ministries Page](#).

What can I donate besides money? In all disasters, the most useful and efficient way to contribute is to directly volunteer with or donate money to a trusted organization. **Unless items are specifically needed and requested (clothing, hygiene items, construction materials, or any other miscellaneous items), please do not send them!**
