Nazarene Missions International <http://www.nazarene.org/nmi>

The role of the local NMI President is to promote NMI in the local church, in cooperation with the pastor as a voting member of the church board, and lead the local NMI council.

- We believe there are five key areas of impact in which every church should participate, regardless of its size, location, or language.
- These are the NMI Top Five Areas of Impact: Prayer, World Evangelism Fund, Alabaster Engaging Children and Youth, and Links.
- Focusing on these five areas of impact does not diminish other areas of NMI influence. These items are stepping-stones to deeper involvement in mission support through the Church of the Nazarene. They are a way to begin becoming involved; they are easily understood, and we are striving to make them adaptable in every culture. We aim for each church to participate in these five areas, and then add additional areas of connection, to match the interests and needs of each local congregation or district.

Care & Connection

<https://nazarene.org/nmi/areas-of-impact/#care>

Care and Connection encompasses global, sponsored, volunteer, and retired Nazarene missionaries. It begins when a missionary discerns a call to missions, continues during their service, and continues throughout the adjustment of returning to their home country. CARE includes the steps where NMI is involved in nurturing, sending, and supporting Nazarene missionaries from Nazarene churches and districts.

CONNECTION consists of ways in which NMI connects with and supports Nazarene missionaries.

Links is part of NMI's Care and Connection, assisting churches and districts in intentional care and connection to globally deployed Nazarene missionaries who are not from their district.

Care and Connection resources include information on being a good Links church, tips for hosting missionary speakers, guidelines for working with those serving in Additional areas, and ways to welcome returning missionaries home.

Our Care and Connection Missionary (formerly called LINKS Missionary) for January 1-December 31, 2026, is NC's own missionary:

Below is a link to a free adult curriculum titled Loving our Global Neighbors. It was written and developed by commissioned Missionary Teanna Sunberg. This is an NMI curriculum focused on ministering to refugees. A six-lesson children’s curriculum is included as well. The MidSouth district has generously chosen to share those.

Here’s the link to the curriculum: midsouthnmi.org/curriculum. This is available in English and Spanish. This year’s theme is “Made for More (Mark Chapter 2).”Is meant to help us “fine-tune” our focus on missions as a church and to understand our individual and local church role(s) in carrying out that mission to God’s people.

(Formerly Known as Work & Witness)

Coordinator: Pastor Steve Creech sbondcreech@gmail.com

When we go on a district work & witness trip, we must provide “project money” in advance to purchase the materials we will use for the project. The project money can be anywhere from \$10,000.00 up.

******Note:** Our W&W projects are registered. We have established the months of March and October as work and witness offering month. We ask that each church send an offering -earmarked “District W&W Project Money”.

Note: This DOES count toward 10% credit. Your treasurer can mail these earmarked funds to:

Alabaster

For more information and Resources on Alabaster, click here: <https://nazarene.org/alabaster/>

Churches lay the foundation through Alabaster offerings for places where people worship, heal, and learn by encouraging global participation each year. Every Alabaster project is a joint effort of local contributions and labor, combined with global love and support, to bring a tangible presence and a sense of long-term

commitment to a community. No Alabaster funds are used for administrative costs. Nazarenes gave US \$2.9 million for Alabaster to fund projects in 2023. The Alabaster Offering is used in all six global regions.** Over US\$ 30,000 was raised during the Global NMI Convention in June 2023, at the launch of Alabaster's 75th anniversary year. Often, Alabaster giving goes hand in hand with Nazarene Missions Teams who help build structures funded by Alabaster and the contributions of Nazarene Missions Teams. NMI assisted 374 Nazarene Missions Teams in raising US \$1.3 million for projects.

[Jesus Film](#)

(JFHP), raising \$3.7 million, reports that World Evangelism Fund (WEF) helped provide infrastructure for 1,109 JFHP teams to share God's love through the story of Jesus. In 2023, teams reported over 2.3 million evangelistic contacts. Of these contacts, 699,029 indicated decisions for Christ, with 404,511 new believers receiving initial discipleship follow-up. Teams started 11,675 Preaching Points in 2023. NMI and others partnered with local churches to raise US\$ 37.2 million through the World Evangelism Fund during the 2022-2023 fiscal year. ** Churches globally gave US\$ 24.6 million to Nazarene Approved Missions Projects.** In 2023, 92 districts gave 5.5 percent or above of their income to the World Evangelism Fund (56 of which were from regions other than the USA/Canada Region). WEF giving beyond 5.5 percent helps open new work, sustains works opened in recent years, and helps send new missionaries that God calls. Nazarenes gave US\$ 210,290 to World Mission Broadcast (WMB), which provides radio, television, and Internet programs to share the gospel globally. ** NMI partnered with Nazarene Compassionate Ministries to give more than US \$5 million for disaster response and compassion projects around the world and to support 10,559 children through Child Development Centers and Pastor's Kids programs.* For more information and resources, click here: <https://www.jfhp.org/>

[Ten Percent Mission Specials Ministries:](#)[To learn more about 10%](#)

[giving, visit this link: http://nazarene.org/stewardship/tenpercent](http://nazarene.org/stewardship/tenpercent)

The majority of Nazarene ministries are Ten Percent approved, including JESUS FILM, Nazarene Compassionate Ministries, registered Work and Witness projects, and registered Compassionate Ministry Centers. To be sure the ministry you give to is approved, you can use the following sites to find needs you would like to donate to. Some ministries not listed above may also be Ten Percent Specials. If you are unsure about the status of a ministry, please email or call us at 800-544-8413 to find out more.

When a church meets its funding goals for Mission, it is recognized as a World Evangelism Church. When a church also gives 10% of its total income to mission work through donations to the World Evangelism Fund and Mission Specials, it reaches its Ten Percent goal and is recognized as a Mission 10 church.

Nazarene Disaster Response (NDR)

When a natural disaster strikes, Nazarene Disaster Response provides a way for local Nazarene churches are to respond with assistance and resources for the community in need. Our vision is to empower Nazarenes to respond to their community in practical and tangible ways in any instance of disaster.

For more information, visit the NDR website:

<https://www.usacanadaregion.org/compassionate-ministries/nazarene-disaster-response>

What happens during disaster response? When a disaster occurs in the USA/Canada region, Nazarene Compassionate Ministries staff reaches out to the affected District Superintendents to assess the impact on our communities and congregations. These assessments sometimes indicate a significant impact that requires the church to be active in the recovery. During those times, NCM staff work with the district leaders to determine the scope of the response and how much assistance is needed. NCM will communicate to the broader church the need for funding, items, or volunteers, and will work with the Districts as they develop their plans.

Does NDR accept volunteers? You can volunteer by responding in your local community to a natural disaster; by preparing your church for disaster readiness and response; by joining an NDR project as a volunteer, or by receiving training and developing a church or district response team. NazServe.org is a volunteer database developed in part to match volunteers with NDR projects. Registering on the site is the best way to begin the volunteer process. You can also search for current projects.

Can my church get involved in NDR?

Churches can create plans to prepare themselves for disasters and organize teams or encourage parishioners to sign up as NDR volunteers. If there is a nearby disaster, churches can reach out to victims and partner with local organizations who are responding. Churches can also host outside volunteers, assemble crisis care kits if requested, and operate as shelters for displaced people.

How is the money I donate to NDR used to help disaster victims? Money is sent to a central account and is disbursed by request to churches or districts affected by disaster. Although NDR exists to serve all people (not just Nazarenes), only Nazarene entities are given funds for disaster response and rehabilitation. Funds for disaster response are typically spent on basic needs (food, water, and shelter), assisting with cleanup costs and debris removal, supporting skilled NDR teams in the field, and responding to the direct needs of those affected.

Do donations to NDR count as 10% mission special giving? Yes, they do. To learn about 10% Specials, visit the [Stewardship Ministries Page](#).

STANDARDS & GOALS

It is important that the Nazarene Missions International (NMI) work effectively in helping to carry out the Great Commission Standards and Goals can help keep us moving in the right direction. Standards set up a rule for measuring. Goals encourage reaching ahead. May we strive to meet and exceed the goals established this year for God's eternal glory. We, your committee on Standards and Goals, recommend the following:

- I. Each local church has an organized Nazarene Missions International
 - A. Enroll all church members participating in the mission program of the local church as active members and enroll as associate members those people who are currently active in the mission program of the local church but are not members of the local congregation.
 - II. B. Create a mission's event in your local church for children and teens for local missions and foreign missions.
 - C. Elect a local Work and Witness coordinator and participate in district Work and Witness projects and, if possible, plan a Work and Witness trip from your local church.
 - D. Elect or appoint a Mission Call Director who actively seeks out, encourages, and gives purposeful direction to children, youth who feel there is a possible call of God on their lives for missionary service. This Director will report the names and contact information for such individuals to the District Mission Call Director and the local pastor. (District Mission Call Coordinator is Bettyanna Bremmer)

Each church pays its World Evangelism Fund (WEF) in full and strives to earn the Award of Excellence.

- A. This is achieved through accomplishing one or a combination of the following:

 2. Mail to District NMI Treasurer by end of April in order to help fund the Project Money for the District Work and Witness trips each year.

4. The district encourages each church to have a local mission/ missional area project each year. (The district will try to have one a year when possible)

H. If possible, each local church will host or co-host a missionary speaker each year and provide Deputation Offering in line with General NMI Handbook and Constitution recommendations. They no longer use a recommended scale.

However, you can use the following minimum offering scale if your church chooses: 1.

V. Each local church achieves Mission Priority One Award and North Carolina Honor Society status.

PROCEDURES THAT WILL AID AND ASSIST THE LOCAL CHURCH IN REACHING ALL GOALS

1. Participation by each church in an organized PRAYER and fasting program a. Utilizing the Prayer Mobilization Line by Internet by clicking here b. Join our district Facebook page by logging on to your Facebook account and then typing NC District NMI

2. Promotion of mission education. Utilize the calendar of Emphasis links for more information to share with your local church. For this year we encourage churches to purchase and read the two books we mentioned.

3. Annual subscription and reading of the Holiness Today magazine by every church family

4. Use of the current NMI Handbook.

5. Quarterly meetings of the Local NMI Council for planning, promotion and evaluation

6. Participation in available workshops, Missional Area, District and Southeast Regional meetings.

7. If possible, mission education shall be accomplished through monthly local NMI meetings promoting the monthly calendar emphasis, prayer and mission study. Use of a variety of mission education resources is recommended: mission education curriculum now named Living Mission, videos, deputation speakers, dramas, etc. Remember that the curriculum is only a guide and resource and does not have to be covered in detail monthly in order to accomplish true mission education in the local church. We encourage the freedom of each local NMI to provide exciting, interesting, innovative mission education in whatever forum works best for each local congregation. We encourage the regular use of mission spots in Sunday services to reach the greatest number of people.

8. Look for mission opportunities in your community, Ex: Salvation Army, Local homeless shelter.

9. Utilization of available NMI News services

a. Holiness Today <https://www.holinesstoday.org>

c. Missionary Profiles: for pictures, names, locations of missionaries on the field.

<https://give.nazarene.org/category/missionaries>

10. Promoting, hosting and attending services with missionaries on deputation and other mission speakers.

11. District Goal- each church is encouraged to prepare and send at least 1 or more boxes (each) of Crisis Care Kits (CCK's) and School Pal Paks (SPP's)

12. Participation is encouraged to utilize the District Calendar of Emphasis. Located on the NMI tab <https://ncnaz.org/>

13. Participation is encouraged in district projects at district assembly. (Offering and items that may be requested)
