A Brief History of the North Carolina District

The North Carolina District began in Greensboro. Someone had a vision. Rev. S. S. Nelson saw a vacant lot on Spring Garden Street and envisioned a holiness church. While holding a tent meeting in 1923, he hoped to start a church. The actual organization did not materialize until October of 1925. A couple of significant events improved the prospects for the church

“Uncle Buddy” Robinson played a crucial part in the beginning of the North Carolina District! Large crowds attended this weekend revival in the Greensboro Opera House... What a boost for the possibility of starting a new church. Then Rev. Charles Harrison came to Greensboro to be district superintendent of a missionary district in the Carolinas. He was sent out and supported by the two Indiana districts and the General Home Mission Board. On September 29, 1925, the first official campaign in the Carolinas was launched and from that meeting Greensboro First Church was organized.

During the next two and one-half years, seven more churches were started in North Carolina, one in Bennettsville, South Carolina and one in Roanoke, Virginia. Conventions of the Carolina Home Mission District were held in the spring of 1926 and 1927. Dr. H. F. Reynolds, at the third convention in March 1928, engineered the organization of the Carolina District. Rev. C. M. Harrison was unanimously elected as the first district superintendent. And so began the district organization of the Church of the Nazarene in North Carolina.

A lot of significant business was conducted at the second district assembly. Among other things, the name was changed to Southeast Atlantic District. By this time, there were seven churches in Virginia, one in South Carolina, and nine in North Carolina. Dr. J. Howard Sloan was elected the new district superintendent to succeed Rev. Harrison who resigned during the year.

In 1932, Dr. Sloan resigned when the district was composed of twenty churches: ten in North Carolina, nine in Virginia, and one in South Carolina. During the next six years, there were four superintendents – Rev. Theo Ludwig, Rev. R. E. Dobie, Rev. W. H. Parker, and Rev. G. D. McDonald. The total number of churches rose to twenty-seven.

Then Dr. Raymond Browning settled in for six years as district superintendent. In the middle of his stretch of service, the twelve churches in Virginia were organized into a separate district. North and South Carolina again became the Carolina District. Rev. J. V. Fredrick served as superintendent for two years and the Carolina District had twenty-six churches.

Dr. C. E. Shumake was district superintendent from 1946 to 1952. There were thirty-seven congregations and 2,080 members which meant membership had doubled. South Carolina became a separate district in 1948. For the first time, North Carolina stood alone as its own district.

Dr. Lloyd B. Byron led the charge to 3,287 and fifty churches between 1952 and 1966. Rev. Terrell C. Sanders, Jr., took the torch from 1966 to 1975 and the district showed good progress, increasing to fifty-four churches with a membership of 4,369. The Linda Lake parsonage and office was built during this time. Rev. Bill M. Sullivan served from 1966-1975 and led the district in its 50th year to report 53 churches with 4,671 members.

Rev. Oval L. Stone took the helm for the next six years until 1986 and growth continued, reaching sixty-three churches with 5,654 members. Worship attendance was now at 4,824.

Rev. D. Eugene Simpson served for the next ten years. In the 65th Anniversary service in 1992, the district reported sixty-nine churches, 6,630 members, and average worship attendance of 5,682. When Dr. Simpson retired in 1996, there were 7,240 members in 72 congregations, with an average worship attendance of 5,745.

Dr. J. Mark Barnes was elected in 1996. During his leadership, several house type churches were started. This opened up new possibilities of reaching others for Christ. At the 2013 District Assembly, Dr. Barnes gave his final report. The theme was: Love Always Wins! Dr. Barnes officially retired on August 31, 2013.

Dr. Greg Mason was appointed by the Board of General Superintendents as our new District Superintendent. He assumed his duties on October 1, 2013. Dr. Mason truly has a vision for our district, which will lead in planting more churches throughout our state.

Our state’s history is bright with His work! Currently, He is pouring out His Spirit in significant measure, removing barriers that some thought would never be eliminated and taking territory some assumed to be “untakeable.”

III. Course of Studies

A. INSTRUCTIONS TO PASTORS AND STUDENTS

Eligibility to the Courses of Study

The board serves only those persons properly enrolled. Enrollment is open to local ministers (preparing to be Elders or Deacons), registered song evangelists, and prospective ministers of music, who qualify according to the Manual.

To enroll a person in the Course of Study a pastor must submit a written request for enrollment to the Studies Secretary of the District Ministry Board. This request is to include:

1. The applicant's name, address, phone number, and email address
2. Verification that the applicant has been granted a local license
3. Which track on which to enter the applicant: Elder, Deacon (Christian Education, Music Ministries, Youth, Compassionate Ministries, Administration, Chaplaincy), or Lay Ministries

Course of Study

There are two general courses administered by the District Ministry Board: Elder and Deacon. Ministers or Deacons will not be ordained, or registered Song Evangelists be commissioned, without completing their respective courses.

Modes of Study

The Board directs all students to fulfill their educational requirements through a Nazarene institution of higher education (a Nazarene college, Nazarene Theological Seminary, Nazarene Bible College or the Carolinas School of Ministry), or to obtain written permission from the Chairman of the Board of Ministerial Studies to fulfill these educational requirements in any other way (i.e., Modular Course of Study, non-Nazarene institution). The student shall meet the grading standards of those institutions before receiving credit from the District Ministry Board.

Course of Studies Regulations

1. Each candidate is instructed to download the Handbook for Christian Ministries (<http://www.usacanadaregion.org/sites/usacanadaregion.org/files/PDF/handbook.pdf>) in order that he or she may become familiar with the details of the program. It is suggested that when the call is confirmed in the person's mind and heart (before a Local Ministers License is issued) that the local church download, print and present the "Handbook" as a gift of affirmation and encouragement in order that he/she may become familiar with the details of the program.
2. College students are responsible to submit to the board documentary evidence of academic standing at the close of each school year, in harmony with the Manual and the Handbook for Christian Ministries. The student should have the institution send an

official copy of their transcript to the Studies Secretary (Tim Pullin, 28 Nazarene Way, Waynesville, NC 28785; Electronic transcripts may be sent to Tim Pullin at ncmsbsec@gmail.com). College students are reminded that “degree requirements” may differ from “course of study requirements” and to plan their curriculum in harmony with the Manual and the Handbook for Christian Ministries. The transcripts of a student's work at graduation will be evaluated by the District Ministry Board. No requirements stated in the Manual will be waived.

3. No one in the Course of Study will be assigned an Adviser from the District Ministry Board until they have been granted a District License. Those holding a Local License will be under the direct care of their local pastor. Pastors of the local church are responsible to inform the Studies Secretary of the District Ministry Board on the renewal of Local Licenses each year. Failure to do so will be grounds for dropping said student from the Course of Study.

4. A candidate must successfully complete at least one-fourth of the required courses to include the Manual before he/she is promoted to Level Two of the Course of Study and entitled to a District License. When students have completed one-half of the requirements and their Field Education, they will be promoted to Level Three. Level Four will be granted upon successful completion of three-fourths of the courses.

5. In order for work to be applied on the current assembly year, it must be submitted by March 31 of that year. Work filed thereafter will be applied to the following year, unless permission is granted by the Studies Secretary and the District Superintendent.

6. Field Education:

a. Students must complete their Field Education (Supervised Ministry) before being admitted to Level Three in the Course of Study.

b. To complete the Field Education requirements the student should ask his/her adviser to contact Matt Roberts (E-mail: revmattr@gmail.com; 919-323-6468), who serves as Field Education/Supervised Ministry Director.

7. The candidate is responsible for all course changes that have not been completed. It is to the student's advantage to complete courses in any one level before going to the next level.

8. Candidates should be prepared to appear for interview as called upon by the District Ministry Board at the time and place specified.

9. All students must maintain a C average or above. Any grade below a C will be subject to review by the District Ministry Board.

10. The Handbook for Christian Ministries and the Modular Course of Study, are copyrighted and must not be modified without explicit permission by Pastoral Ministries.

Financial Policy

Financial assistance will be limited to classes offered through the Carolinas School of Ministry, and requests shall be considered on a case-by-case basis, one semester at a time. The following criteria will be used to evaluate every request:

1. The student must be an active member in good standing in a North Carolina District Church of the Nazarene and hold at least a local minister's license from that church or be serving by appointment as pastor under the jurisdiction of the district superintendent.
2. The student must make some effort to meet his/her own educational expenses.
3. The student's church must make some effort to assist the student financially.
4. No student who fails two courses shall retain eligibility for District financial assistance until he/she has successfully completed two more courses with a grade of "C" or better in each of the two courses.

Where to Go for Help

For information or guidance, students should go first to their adviser, then to either the Studies Secretary or District Ministry Board Secretary.

A. DISTRICT OFFICERS

1. District Superintendent

Dr. Gregory D. Mason

THY KINGDOM COME ON EARTH

Dr. Graves and Mrs. Graves, my dear friends Michael and Sarah Johnson, special guests Dr. Mark Lail and Dr. Mark Bane, and to all of the pastors and lay leaders of our beloved North Carolina District church, I greet you in the marvelous name of Jesus; “the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities – all things were created through him and for him. And he is the head of the body, the church!” (Colossians 1:15-18a - ESV)

I am honored to speak to you tonight: hopefully, to report and to challenge. This is my 6th report to this District Assembly. If you are keeping track, this is my 23rd report to a District Assembly as a District Superintendent. As a minister in the Church of the Nazarene it is my 40th year reporting to a District Assembly. The thought of this overwhelms me with gratitude for the grace, mercy, and eternal patience of God.

I love North Carolina. I love our churches. I love our pastors and their families. I love the many lay people who give time, tithes, and talent to the local churches on our district. Elaine and I could never thank you enough for the high and holy honor of allowing us to serve with you.

The theme of our convention is Thy Kingdom Come ... on Earth. Be assured that my prayer, and my heartbeat these days, is that the Kingdom of God would be manifest in identifiable and obvious ways across this district, in every church, in every gathering, and over all of our people. A few days ago, we celebrated Pentecost Sunday. For all that can be said about that event – it was the Kingdom of God, coming to earth, in a consequential and eternity changing way.

Let me say early in this report that we are served by some of the very best people in the world. I so admire the collection of servants – real disciples of Jesus – that I get to know and partner with in ministry.

I cannot say enough good about our District Advisory Board. They are dedicated servants of God who want to see the district follow and fulfill her mission to the world. They are consistently supportive of Elaine and I, for which we are grateful. They are elders: Michael Bearden, J. J. Ward, Riley Powell, and Bill Crane; and lay members Angela Rivas, Carl Millsap, Jonathan Elkins, and Christi Cummings. Christi and Gary moved out of state a few months ago and she will be missed. Michael Bearden has announced his retirement from the board, and due to district policy Riley and Jonathan must sit off the board for a year because their terms have expired. I would like for them to come forward for a moment.

We have been served by fantastic department leaders: NMI President Donna Sisk, SDMI Chair Rev. Sherman Waters, and NYI President Nate Barefield. As you know Nate took another assignment on the South Carolina District and in April the NYI Convention elected Angela Rivas to take his place. She is an excellent choice and with her vice-president Patty Fox, and the rest of the new council, will provide outstanding leadership to our youth ministries. Angela regrets not being here this week, but she has been chosen for a grant to study abroad and is fulfilling that award in Europe this evening.

Sherman has decided to step down from his SDMI post and we are so appreciative of the ways he serves our district. I would like him to come forward.

Thanks certainly goes to our District Treasurer and our District Secretary: Jonathan Elkins and Bill Crane, respectively. Would you guys stand? Thank them for many hours of service to our district.

We are grateful for Rev. Oscar Pereda and his leadership of our Hispanic Ministries, and to Dr. Scott Crandall and his leadership of our Carolina School of Ministry. These are such important servants of the Lord. Both serve the Lord with sanctified hearts.

I appreciate the help of our Mission Area Coordinators: Tommy Thompson, Matt Roberts, Tim Eyring, Bill Crane, J. J. Ward, Mike Barefield, John Bremer, Sherman Waters, Steve Creech, and Dan West. Please give them a round of applause.

Of course, we want to take time to thank our retiring Office Manager, Cindy Humphrey for her 8 years of dedicated and committed service to the district. You never really know how valuable someone is until they leave. Cindy and Bob have decided to retire and to move to Florida. We will get to say a little more about them tomorrow, but we do want to acknowledge our deep appreciation for Cindy's loyalty and faithfulness in serving God and the church.

I want to thank Elaine for stepping in over the past several months to fill the void until we could hire someone to take Cindy's place. She did it because she loves Jesus, she loves the church and the district, and before she did it, she loved me. We could not be having this conference if it wasn't for Elaine. I love her; still, and really appreciate her sacrifice for the district. She has always been supportive of my ministry and this assignment, but this was above and beyond the call of duty.

That brings me to a very special announcement. It is my happy pleasure to announce that in consultation with the DAB I have hired Joyce Roberts to serve as my Administrative Assistant. Would you welcome Joyce to our district team? Joyce has worked for the past 12 plus years as Business Services Coordinator for UNC Campus Health. She has taken early retirement from that position to join us on the district. She too loves the church and the district. Of course, she is the wife of Pastor Matt Roberts.

Over the past few months I have consulted with the DAB, several pastors, and other districts about the necessity and value of the district office. With the change in personnel we have decided to optimize a flexible workspace. This essentially means that Joyce and I will work from home offices. We will communicate daily via video and telephone.

Over my time here I have averaged only about 100 days per year in the office. My car, motel rooms, and my home are consistently used as offices. Very few pastors drop by the office, and fewer laypersons. Typically, I go to meet pastors nearer to their home or church or we meet in a restaurant or coffee shop. Obviously, when I am not in the office, I am reachable via phone, text, and email.

The Concord church has agreed to rent some office space to the district that will allow us to conduct meetings, store records, and work as needed. The Concord church will be more easily accessible for much of the district than the Pineville office has been.

This will mean selling the current office in the days ahead. We already have found a buyer and agreed to a sale price.

We ask for your prayers and your patience in this transition, and please take note when the time comes of new mailing addresses and the like.

THY KINGDOM COME!

I report to you tonight with concern and anxiety. (I know what the Bible says about anxiety.) When I pastored, I took personally the growth of the local church. I also was committed to the partnership we had with every other church in the denomination. God placed me in the Church of the Nazarene and while I am first and foremost a servant of Jesus and his Kingdom, I am also a servant of the Church of the Nazarene.

While it seems to have become a rejected concept these days, church growth mattered to me. I was not satisfied when we weren't reaching new people, when the altars were empty, or when the baptistery was dry.

I also felt it important that our local church paid its fair share to fund the work of the Church of the Nazarene regionally and internationally. I felt I should participate in district events like camps, retreats, and meetings. I praise God that most years, and in every assignment, there were fruitful results.

As a DS I feel the same way. I felt like God called me to this role to encourage, train, and coach pastors and churches to reach lost and broken people, to plant churches, and to increase our opportunities for impacting our neighborhoods and our world. In both my pastoral assignments and my district work, I feel like I can look back and say we planted sufficient and good seed that others have continued to nurture, and God has given the increase.

However, as I have analyzed my work and leadership here in North Carolina I'm feeling a "holy" discontent" with where we are. We can point to few tangible metrics that reflect effectiveness or fruitfulness. In short, we continue to lose ground in Discipleship and Sunday Worship attendance, new members, and converts. We should be doing better in supporting our various giving goals in the areas of WEF, Pensions and Benefits, and the University. While we are grateful for the new churches we have on the district, we have had too many churches close, and too many church type missions not survive.

We are going to hear some great reports over the next couple of days. In your handbooks our pastors have highlighted some meaningful areas where God has blessed the church. I give thanks to God for these. Not all of them show up on a growth chart. I know that.

I especially want to celebrate 327 reported conversions, 172 baptisms, and 141 New Nazarenes. Every one of those lives matters. Each one of the souls attached to these numbers made the Trinity smile. Let's give the Lord thanks.

Like most of you, I would rather us gather and pat each other on the back, tell each other we're doing great, and go on our merry way. Nobody wants to drive several hours in a car, and spend hundreds of dollars in expense, to hear "DS downer". But as one of our DAB members said during our conversation, "When the house is on fire, someone needs to scream". And in the most caring, loving, and sanctified way I know how tonight, I am screaming.

As, I talked about these concerns to the District Advisory Board. I admitted my disappointment, and confessed that as the leader, the results are a reflection of my leadership, or lack thereof.

I know all of the cultural excuses we use for the declines and the losses. Everyone in this room has an opinion as to what the problem may be. I don't have time to rehearse them in this message, but we have a saying around our house, "When you need an excuse, any excuse will do."

I also know tonight that most of you are doing everything you know to do. You share these concerns in your own local setting. Laymen and pastors alike are conflicted about the difficulties they face and what they perceive as a near crisis in their local church.

I hear people saying, "we need to change the way we measure." "They aren't all that important." Let me say that if they are important when the numbers go up, they are important when the numbers go down.

But I have been asking, "What should we count, what should the new measurements be?" The responses I get are very difficult to quantify. So I keep looking and keep asking. And I continue to wrestle with the question.

Recently I have been drawn back to the Sermon on the Mount. I love the counter-cultural dimension of this great message from Jesus Himself. Not long ago I was reading my way through those crucial chapters again and as I was reading through the Lord's Prayer my breath was taken away. "Thy Kingdom come, thy will be done on earth as it is in heaven".

I hope it makes your heart race as it does mine. Imagine the possibilities! Think about this for a moment. The first real sign that this was possible was the birth of Jesus, the Advent. Think of the miraculous, monumental, majestic dynamic that invaded earth when God became incarnate. As John the Baptist proclaimed it, "the Kingdom is at hand."

Here in this teaching, this same Jesus coaches us to pray for an incarnational like impact in and through your life and church.

Jesus has invited us into this meaningful and transformative prayer to ask Almighty God to allow His very Kingdom to come to earth. As Jesus came to earth to bring salvation, wholeness, and restoration, we are invited to pursue the divine presence of the Trinity to call us to a purposeful life, to embolden our vision, to empower our work and to sanctify our systems.

So, I've wondered, if we are to change the metrics from noses and nickels maybe we should ask ourselves the ultimate question, "Have I seen the heavenly Kingdom of God manifest itself in this church, in this community of believers?" For all of our dollars spent, for all of programs promoted, for all of our songs sung – have we seen the transforming grace of Jesus impact people's lives? "Is anyone coming to faith; getting saved?" "Is anyone getting sanctified?" "Is anyone getting baptized?" "Is anyone being disciplined?" "Are the hungry fed, the oppressed being freed, the hopeless finding hope, the sick and broken finding healing? If not, why not?"

OBSERVATIONS ABOUT THE KINGDOM OF GOD

Brothers and Sisters hear what the Lord would say to the church tonight.

1. The Kingdom of God on earth is not about geography.

We are not simply praying that the Kingdom of God out there would come down here. For too many the Kingdom of God is someplace we are aiming to go. It is a place where we long to arrive someday. It is both future and distant.

But friends, the Kingdom of God is not about geography but about rule. Every kingdom has a king. This prayer is a call to make Jesus Lord. A great old song says, "if Jesus isn't Lord *of all*, he isn't Lord *at all*. To pray this prayer is to declare with Paul, that Jesus is "head of the church."

The King sets the agenda. He gives tells the servants what to do. He is in charge. What I'm trying to say is, there are times when I wonder who the "head" of the church really is.

2. Prayer is a key component to enjoying the active participation of the Kingdom of God in our lives, churches, and communities.

Whatever else you can say about the Kingdom of God it is so important, so vital, so necessary that we are to pray for it. Jesus answers the request of the disciples to teach them to pray by saying, "start this way, Our Father who art in heaven, hallowed be your name, thy kingdom come, they will be done on earth..."

This prayer is a prayer of adulation— our Father who art in heaven **hallowed** be thy name. When the kingdom comes, people are less likely to say, "Wow, what a praise team", or, "my what a sermon", and instead say, "Oh, What a Savior".

This prayer is a prayer of alignment – "thy will be done". Paul declared, "I pray that our God may make you worthy of His calling, and that by his power he would bring to fruition your every desire for goodness and your every deed prompted by faith. (II Thessalonians 1:11)

Do our desires and deeds reflect the Kingdom of God or selfishness, self – preservation, or self-pleasure?

It is a prayer for the Almighty. In other words, it is a prayer for something otherworldly, transcendent, and supernatural. If earthly wisdom, energy, or talent will get the job done, then I don't need the Kingdom of God to come. We don't need God's help to give zero to budgets. If the Kingdom doesn't come – I can't accomplish very much.

Please know I say this in love, but people do not need our earthly wisdom, self-help sermons, or cute activities. What they need is a Spirit saturated encounter with the Trinity that will transform them inside out. Something so powerful it will change them forever. An incarnational encounter that the Bible describes as “salt and light.”

When I got saved my life was obviously changed. But do you know who else's life was changed when a 14-year-old kid got saved? Chad, Ryan and Angie's life changed. Elaine's marriage changed 7 years before we got married. I have 7 grandchildren whose lives changed 50 years before they were born. We have two grandchildren who will be born this fall and without ever meeting them I can tell you their lives are better because I got saved. That my friend is what happens when the Kingdom of God comes to earth.

3. The Kingdom of God on earth is demonstrated in multiple ways: healing, hope, happiness. But it is best demonstrated in love. The Great Commandment is the most obvious sign that the kingdom has come.

“Love the Lord your God with all of your heart and with all of your soul, and with all of your mind. The second is like it: Love your neighbor as yourself. “

There is a vertical component to being a Kingdom man or woman. I would not judge, but let me pry a little. As pastors and leaders in the church how are you doing in loving the Lord? I mean really, what about your life would suggest that you really love Him more than anything? Probably no one knows but you and the Father, but how is it with your soul? What are you doing personally and corporately to nurture your soul's intimacy with Jesus?

There is a horizontal component to being a Kingdom citizen. “Love your neighbor as yourself.” You don't have to be a theologian, to know that loving our neighbor cannot consist of just talk. In fact, so much of our “love talk” goes like this, “I love my drunk neighbor, my druggie neighbor, my divorced neighbor, my adulteress neighbor, my homosexual neighbor – but.”

Worship, personal devotions, prayer, and Bible study are means by which I demonstrate and grow my love for God. Loving our neighbor comes in many forms as well, but often looks like compassion, justice, solidarity, and story sharing.

There is tension here. For some in this room tonight you are very good at sitting at the feet of Jesus. You spend much time in worship, prayer, and study of the Word. But you spend little time or effort

involved in the lives of your neighbors. You spend little effort in compassion, justice, or sharing your testimony. Whole congregations are having a difficult time finding a meaningful place of impact in their communities.

Some lean too heavily the other way. You are all about others... feed the hungry, advocating for causes and concerns, and you really seek out to the lost and the hurting. But your intimacy with God has grown weak or stale.

I'm convinced that we need to balance time at the Lord's Table and time at our neighbor's table. We need to get to know Jesus better. We need to get to know our neighbors better.

Some will be inclined to say we need revival. I'm all about revival. I love revival. I'm praying for a revival. I would love the Holy Spirit of God to permeate our worship services and to manifest His presence in our lives.

But I am not for a revival that is all about me feeling better. Or a revival that brings with it a spiritual jauntiness. A lot of people are praying for a type of Wesley revival. Great! But when the Wesley revival spread across England, the revived spread across England too. They ended up in coalmines, taverns, and factories and became Kingdom bearers everywhere there were lost and broken people.

People are praying for an Asbury type revival. Great! I'd love to see that. But when the students and faculty of Asbury experienced the Kingdom of God coming to earth, they became Kingdom bearers and moved out across the country with the good gospel of holiness. I was called to preach in a service hastily called because some students from the Asbury revival wanted to come and share their testimonies in my church.

Some will call us to be advocates of justice and compassion, and you know I am all for that. Jesus is pretty clear about calling us to feed the hungry, clothe the naked, and visiting the imprisoned. But we do it in the Name of Jesus, for God's glory, with the prayerful desire to help them become disciples of Christ. We can't force anybody to become fellow believers, and if they reject Him, we love them and serve them anyway. But Jesus said He came to seek and to save the lost, and when His Kingdom comes, people come to faith.

The Kingdom of God gathers us to the Lord Jesus and scatters us to make him famous. We need revival and renewal. And then we need to leave the prayer closet and take the gospel to the curbs.

4. The Kingdom of God, here and now, demands our attention and our participation.

I love the Lord's Prayer. You love the Lord's Prayer. We ache for the Kingdom of God to come to earth. We believe that the Trinity is already at work, through people, through the church, to restore all things. It will happen ultimately and finally in the Second Advent, but we are called upon to participate in the Kingdom now. So, we care about all that God has made. All that He has created. Anything and everything that bears His image. Acts 3:21 says, "God will restore all things", and we join Him in that Kingdom work.

As it relates to the Kingdom of God coming to earth, we both anticipate and participate. Here is what I find both blessed and haunting. In Matthew 19, when Jesus asks Simon, “who do you say that I am”, Simon replies, “Thou art the Christ, the Son of the Living God”. Jesus says, “Blessed are you Simon”, and then says, “I will give you the keys to the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. “

Here is what kind of opportunity you and I have tonight in North Carolina. Here is our responsibility in the Church of the Nazarene in North Carolina. We need to get about the business of loosening and binding. We need to be a people invested in and more deeply concerned about the Kingdom of God on earth than we are politics, paychecks, and policies.

With God as our helper we need to loosen the flow of God’s grace and power upon the church. We need to let loose the Word of God. We need to loose the sanctifying work of the Holy Spirit upon the hearts of believers who find themselves in a quagmire of disinterest, disunity, and disheartenment. We need to let perfect love loose. We need to let faith in a healing, delivering, saving God, loose. We need to let loose blessing upon one another. We need to let loose kindness, gentleness, patience, and self-control.

We need to bind up our political persuasions, our traditions, our personal preferences, our prejudices, and our privilege. Where there is racism, we need to bind it. Where there is legalism, we need to bind it. Where there is relativism and humanism, we need to bind it. Where there is judgementalism and hatred, we need to bind it.

We need to grab hold of the altar and let loose of the church pew. We need to hang on to truth and let loose of silly arguments. Where we have confusion, lack answers, aren’t sure what is right or wrong, we need to love, love, love.

We cannot give up. We cannot give in. We cannot bail out, burn out, or bomb out. We cannot do it on our own. We must pray through. We must have the Kingdom of God on earth. Not somewhere else. Not someday else. But in the here and the now.

With Paul, “We ask you brothers (and sisters) to respect those who labor among you and are over you in the Lord and admonish you, and to esteem them very highly in love because of their work. Be at peace among yourselves. And we urge you, brothers (and sisters), admonish the idle, encourage the fainthearted, help the weak, be patient with them all. See that no one repays anyone evil for evil, but always seek to do good to one another and to everyone. Rejoice always, pray without ceasing, give thanks in all circumstances, for this is the will of God in Christ Jesus for you. Do not quench the Spirit. Do not despise prophecies, but test everything: hold fast what is good. Abstain from every form of evil. Now may the God of peace sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ. He who calls you is faithful; he will surely do it.” I Thessalonians. 5:12:24 (NIV)

Gregory D. Mason

2. NYI President's Report

Since the NYI President moved off the district in March, no report was given.

3. NMI President's Report 2019

It is my privilege to present my twelfth annual report for the NC District Nazarene Missions International (NMI). I want to thank each pastor and Local NMI President who supports and champions the cause of Nazarene missions in your church.

NC Nazarenes have been busy Kingdom building! Making an Impact! I'll share a few highlights:

Last year at our Missional Area Conference our speaker shared amazing stories about the Jesus Film. Our special offering was for audio Bibles. Because of your generosity and your desire to see the Kingdom advance, 168 audio Bibles were purchased with the offering that was over \$11,000.00!

Linda Cauble is a co-missionary president at the Salisbury Church. She was invited to be part of a work & witness trip to Guatemala this past July with the Pineville Church.

No one from her church had ever been on a work & witness trip. Her excitement was contagious! She said her church family, although small in size got busy! A congregation of around 30, raised \$600.00 to buy shoes and socks for 150 children in Guatemala. They hosted a Guatemalan "hoe down and raised another \$600.00 to help Linda with her travel expenses. This year their church took on the challenge of collecting for CCK's and have brought 8 boxes to this convention!

They are proof that a church doesn't have to be large in size to make an impact on missions. Just ask the 150 children who had their feet washed and new socks and shoes placed on their feet!

Hillsboro New Hope (Heart), a congregation that averages 23 brought 3 boxes of CCKs and 4 boxes of SPPs and 20 back packs for NYC and 5 gift cards for Lilly Pad Haven. Theirs is a congregation whose gifts will make an impact for the Kingdom!

Pastor Tommy Thompson and a friend delivered Crisis Care kits to Fayetteville Urban Ministry for distribution. I'm thankful for the NC Nazarenes who rise to the challenge in providing much- needed CCK's.

Recently, pastor Tom Roswick and the executive NMI council prayed for the provision that we needed for the upcoming trip to Alaska next month. We prayed believing God would provide what we needed. I told pastor Tom, "God knows what we need and when we need it. He will provide." The next morning a donation check arrived! Our God is always large and in charge!

In February I had the privilege to attend the General Superintendents Report. This was an incredible weekend of networking and worshipping together. On Sunday evening I was able to attend the commissioning service for the largest class of missionaries since 1980!

37 Nazarene missionaries were commissioned by the Board of General Superintendents and General Board. Global council members and District Presidents were able to join and pray over them at this special service.

Also, in February, we said goodbye, to our dear friend and longtime District Vice President, Christi Cummings and her husband Gary as they moved to Fort Smith, Ark. We presented Christi with a much-deserved Distinguished Service Award for her almost 12 years to our district NMI council and also on the DAB.

The executive NMI council met in March and with the approval of the District Superintendent voted to have Dr. Violly Walton finish out Christi's term as District NMI Vice President. Thank you Violly for your willingness to serve in this capacity.

In March Robert Ferris who served for two years as our District NMI treasurer had to resign. We appreciate all Robert did for our council and he served us with distinction.

The executive NMI council with the approval of the District Superintendent, voted to have Walt Iron's serve out Roberts term as our new NMI treasurer. Thank you, Walt, for your willingness to serve as our new treasurer.

Janet Creech is stepping down as our LINKS secretary. We thank you Janet for your work on our council. We thank Barbara Korn for taking on this vital role.

In April I had the honor of speaking at the Faith Promise for Waynesville Church of the Nazarene and also, I shared at the Salisbury Church of the Nazarene.

As always, we thank you for your giving to the World Evangelism Fund. Because of your faithfulness in giving the mission of the church will continue to advance.

I'm happy to announce that you have funded 98 % of our WEF. You gave \$404,460.00 for the World Evangelism Fund and \$144,347.00 for Approved Missions Specials. This giving translates into supporting ministry to 2.5 million Nazarenes in 162 world areas and helping to reach out to those who do not yet believe.

I want to thank Dr. Mason for his District leadership and for supporting the District council. I want to express my appreciation for each of the people who serve on our District NMI Council. They are an amazing team! And I especially want to thank my husband, Doug, who is my partner in missions and follower of Jesus.

In closing, I'm grateful for people like you, who have prayed fervently, given generously, shared the story of what God is doing around the world in and through the Church of the Nazarene, and who

have given their time and vacations to be involved in missions across the street and around the world.
Thank you for your passion. Your prayers. Your giving.

Thank you for being the people of God who pray “Thy Kingdom Come, On Earth!

Congratulations to these pastors and chairpersons for their leadership and the accomplishments of their churches!

Tomorrow you will hear camp and quizzing reports from our directors. I want to thank Pastor Duncan Puckett for directing Children's Camp for the last five years. This will be his last year. I am

excited to announce that the council has appointed Pastor Crystal Curasi to assume the responsibilities of Directing Children's Camp and the baton will be passed during this year's camp. I have searched by mind about what exactly to report beyond the information I have already given you. I would like to take some personal privilege and share some thoughts.

Much prayer and thought and many reasons have led me to conclude my service as SDMI Chairperson. I look forward to how our next Chair will lead us and what new things our council will bring us. I would like to thank my NC Nazarene family for all of the trust and confidence you have shown me in the past 25 years of district level service. My opportunities to serve began as the NYI district secretary. In the years of service to NYI I have had the privilege to lead Fall Retreat, SR High Camp, lead our contingents to NYC '99 in Toronto and three times to TNT@ TNU as District President. You allowed me to serve as District Secretary for fifteen years, one term as Trustee to Trevecca Nazarene University, four years on the District Advisory Board, Mission Area Coordinator for several years, and I had the high honor to work with Dr. David Busic and the District Advisory Council on the appointment of Dr. Mason to be our District Superintendent in 2013. You have also afforded me the privilege to represent our District at General NWMS convention, SDMI Global Convention, and the 2013 General Assembly. I certainly have had great opportunities and I say a very sincere thank you. All of this happened because of people! Some many of you know and some you have not known. It started in 1971 when a bus ministry from the Landover Hill Baptist Church, in Landover Hills, MD began picking me up for church. When in 1972 I accepted Jesus into my life at children's camp. I was at that camp because somebody paid for me to go. We were poor and my family did not value these things, but someone else did. I was baptized later that year and was a part of church until my mid to late teens. In my early twenties I returned to church somewhat because a Pastor spent some time in his study playing chess with me. I came to the Church of the Nazarene in my mid-twenties because a co-worker invited me to video tape a basketball game. That night the pastor used a unique line to invite me to church he told me my car would look great in their parking lot. (I was a young single professional then and I was driving a rather nice Nissan Maxima.) I became attached to the Church of the Nazarene because of laypersons investing in me like Odie and Ruby Page, Bill and Barbara Tate, Bob and Gloria Andress, Polly Pangle, and Irene Purdy. It was in the Church of the Nazarene that I found a people that believed what I kind of always sensed in my heart was the right understanding of our scriptures. In was at Lay Retreat where I began my journey of hear holiness and entire consecration to our Lord. The COTN is where I answered the call to full-time called vocational ministry.

None of these things happened in my life because of programs, but rather because of people. Some were Pastors but most were not. They were men and women whose hearts were touched by God. For brevity sake I have not mentioned everyone in my journey. Many of the names from early years are left out. Some in my journey were very flawed and some were very committed to the Kingdom, but all cared!

So, what does all of this have to do with a SDMI report? Well this is a recounting of my journey and spiritual formation to this point and how the body of Christ through discipleship contributed to my formation. It is a living illustration. I hope this serves to encourage you to put time into others, to not stop; some of you might have an insight of how that investment will pay off, but most of you can never know how the Lord will use your time.

As we have already heard, our metrics for measuring the effectiveness of our mission does not seem to indicate overwhelming success, and I am not sure what all the answers might be. Perhaps one answer to the Kingdom Coming on Earth as it is in heaven, is relying on the method that the One who brought the Kingdom with Himself used, and that is to invest time in people.

Respectfully Submitted,
Rev. Sherman S. Waters
NC District SDMI Chair

District Finance Committee Report

We, the District Finance Committee, recommend the following:

1. That the District Advisory Board be authorized to reallocate district funds as deemed necessary within the general framework of these recommendations.
2. That apportionments shall be based on current year income. Income is defined as all income that qualifies as a charitable contribution to the giver. Giving for missions (money paid to World Evangelism Fund, approved specials, etc.) are excluded from the base for the purpose of calculating the budget amounts for Pensions and Benefits, Trevecca, and the District. Churches are encouraged to use the planning calculator at www.fundingthemission.org in calculating their percentages.
3. That the World Evangelism Fund be set at 5.5% of local church income.
4. That the Pensions and Benefits Fund be set at 2.25% of local church income.
5. That the Trevecca Nazarene University share be set at 2.25% of local church income.
6. We recommend to the District Advisory Board that for the church year 2019-20, that all auxiliary funds be collected through the District Unified Budget and disbursed equally, on a monthly basis, to the treasurers of each department. (NMI, SDMI, and NYI)
7. Therefore, we recommend:
That the NC District Unified share be set at 6% of local church income and that NYI, NMI, and SDMI budgets be included in this percentage and allocated to the departments by the district treasurer. (Each department will receive .0555 of the total raised.)
8. We also recommend that each department provide a budget for the coming year to the District Finance Committee for approval. This budget should be presented by April 1.

9. We commend those churches who have overpaid WEF, and we encourage each church to continue to do all it can to overpay WEF by a significant margin to maintain an effective level of support to our global missionaries.
10. We encourage every church to utilize the Church of the Nazarene Foundation to facilitate planned and deferred gifts from their members to any Nazarene ministry, including gifts to the local church, and to use the Foundation to manage investment accounts, endowments, or charitable trusts. Visit www.nazarenefoundation.org or call 913-577-2983
11. We recommend that up to \$35,000 of the district superintendent's salary be approved as allowance for parsonage furnishings expense and housing allowance.
12. That the district superintendent be granted five weeks of vacation with pay.
13. We recommend that copies of this report be mailed to local church secretaries, treasurers, and pastors.

LOCAL CHURCH

14. We recommend that the local church board give attention to the following financial responsibilities:
 - A. That all allocations be paid on a monthly basis, beginning in April.
 - B. That an annual local church budget be created for the church year.
 - C. That the treasurer's books be audited/reviewed annually as designated by the Manual paragraph 129.23).
 - D. That each church participates in the annual offering for the Nazarene Theological Seminary during the month of January, and that the offering be sent immediately to Nazarene Theological Seminary, 1700 E. Meyer Blvd., Kansas City, MO 64131. That matching funds be obtained if possible.
 - E. That each church observes the first Sunday of October as Nazarene Bible College Sunday by receiving an offering sponsored by the church and/or budgeting an appropriate amount. This offering is to be sent to Nazarene Bible College, 17001 Prairie Star Prkwy., Suite 300, Lenexa, KS 66220. That matching funds be obtained if possible.
 - F. That each church reviews its insurance needs to assure proper coverage to cover losses and legal liability situations.
 - G. That each pastor/church board makes sure that the church is properly incorporated as a non-profit with the Secretary of State and that the officers of the corporation are up to date.

PASTORAL CARE

15. We recommend that the local church take financial responsibility in providing quality care for its pastor by implementing the following:
 - A. That ministers enrolled in Social Security be reimbursed for the full amount they are required to pay. This includes housing allowance or the fair rental value of the parsonage and utilities, plus Social Security reimbursements and salary as stated in the Internal Revenue regulations. A tax guide with a clear explanation is available for no charge from P & B.
 - B. That an annual review of pastoral earnings includes consideration of:
 1. A merit raise of 2-6%.
 2. A cost-of-living index increase.

3. In the event that the church provides a parsonage that is not furnished, we recommend that the church designate a portion of the Pastor's salary as furnishings allowance.

C. That an annual review of church expenses (not pastor's benefits) incurred by pastoral activities include the following:

1. Car operation reimbursement at IRS current rate.
2. Business/entertainment expense.
3. Meetings, retreats, and conferences.
4. Personal library expense.
5. Professional journals and society memberships.
6. Expense for the 2021 General Assembly.

That these items be considered in the process of establishing an annual church budget.

D. That a pastor who earns his full livelihood from the ministry be enrolled in the 403-B plan sponsored by the General church or a similar plan of the pastors choosing. For details, write Pensions and Benefits, 17001 Prairie Star Parkway, Lenexa, KS 66220; or call 1-888-888-4656.

E. Moving expenses. Each church, when calling a new pastor, is responsible for covering the moving expense for the incoming pastor. An additional "settling in allowance" of a minimum of one week's salary should also be considered.

F. Vacation and Personal Time.

a. Every pastor and paid ministry staff shall be granted a vacation with pay based on the number of years of full-time ministerial service to the Church of the Nazarene, rather than service to the local church, using the following vacation program:

- i. 0-4 years - 2 weeks (not to exceed 2 Sundays)
- ii. 5-14 years - 3 weeks (not to exceed 3 Sundays)
- iii. 15-19 years - 4 weeks (not to exceed 4 Sundays)
- iv. 20 years and over – 5 weeks (not to exceed 5 Sundays)

b. Vacation is to be based on the calendar year, and must be taken in the current calendar year, or be forfeited (Unless approved by the church board and the district superintendent). Upon pastoral relocation, vacation is to be prorated.

c. Each church should urge and expect their pastor to take one day off for relaxation and rest each week.

d. Each church shall provide the pastor three (3) "personal days" per quarter not to be counted as vacation time. They must be used within the quarter or forfeited. They cannot be taken on Sundays.

e. That consideration be given to a paid sabbatical for pastors and full-time associates during each seventh of consecutive service in one congregation. (Manual, paragraph 129.10)

G. That in addition to vacation, pastors be permitted to conduct as many as two one-week revival meetings, study retreats, or conferences in the assembly year. We recognize the importance of our larger churches aiding our smaller churches by making their pastor available for revival services. We further recommend that their salaries be paid during these revivals, and that the local churches pay for the pulpit supply during those weeks.

H. That the pastors be given a Christmas gift, and suggest that a gift equal to one week's salary be considered.

J. That pastors are enrolled in a hospital and life insurance group plan, and that the premiums be paid by the church.

16. We remind local churches and boards of their legal and ethical responsibility to handle church funds properly.

1. That all funds be disbursed as designated by the contributors, or if possible, contributors be asked to approve a change of use.
2. All local church treasurers will handle and disburse church funds as directed by the church board. (Manual paragraph 136.1-6)

Support of Supply Pastors and Evangelists

17. Each church will adequately compensate supply pastors for their service. Minimum compensation for pulpit supply would include travel and meals plus honoraria according to the following scale:

For churches raising less than \$30,000 per year: \$100
For churches raising \$30,000 - \$75,000 per year: \$125
For churches raising \$75,000 - \$150,000 per year: \$150
For churches raising \$150,000 - \$300,000 per year: \$250
For churches raising more than \$300,000 per year: \$400
(additional amount should be given for extra services)

18. The local church shall care for the full expense incurred for the evangelist's hospitality care even when the pastor's home is used.

19. When scheduling an evangelist, we recommend that full-time tenured, commissioned, and registered evangelists be supported in the following manner:

- a. The church board set a minimum honorarium for the evangelist equal to twice the pastor's salary, including cash benefits, for each week (Sunday) of services, plus an adequate amount for travel. He/she should be notified of this minimum amount at the time of his/her call. (Manual paragraph 129.11)
- b. We urge that, as a matter of policy, churches notify an evangelist at least 90 days prior to the scheduled date of the meeting in case of cancellation or reimburse him/her one week's salary.
- c. Where there is a pastoral change, the church board shall notify the scheduled evangelist immediately.
- d. We urge each church to follow the recommendation of Evangelism Ministries of sending a Christmas love offering to each evangelist who held meetings within that church year.
- e. If a full-time commissioned or registered evangelist must cancel for health reasons, the church is encouraged to send a love offering to the evangelist.

Other Local Church Responsibilities

20. Churches moving from “parsonage furnished” to "parsonage allowance" arrangements must first secure written permission from the District Advisory Board and District Superintendent.

21. Any church desiring to loan the pastor or staff money for the purchase of a home, or for any other reason, must have written permission from the District Advisory Board.

B. The NMI and SDMI Conventions

The NMI and SDMI Conventions were incorporated into the Mission Advance Conference. Their minutes are included in the Mission Advance Conference minutes (beginning page 56).

C. NMI Standards and Goals 2019-2020

It is important that the Nazarene Missions International (NMI) work effectively in helping to carry out the Great Commission. Standards and Goals can help keep us moving in the right direction. Standards set up a rule for measuring. Goals encourage reaching ahead. May we strive to meet and exceed the goals established this year for God's eternal glory.

We, your committee on Standards and Goals, recommend the following:

- I. Each local church has an organized Nazarene Missions International
 - A. Enroll all church members participating in the mission program of the local church as active members and enroll as associate members those people who are currently active in the mission program of the local church but are not members of the local congregation.
 - B. Organize the following auxiliaries:
 1. Children's chapter
 2. Youth chapter
 - C. Elect a local Work and Witness coordinator and participate in district Work and Witness projects and, if possible, plan a Work and Witness trip from your local church.
 - D. Elect or appoint a Mission Call Director who actively seeks out, encourages and gives purposeful direction to children, youth who feel there is a possible call of God on their lives for missionary service. This Director will report the names and contact information for such individuals to the District Mission Call Director and the local pastor.
- II. **Each church pays its World Evangelism Fund (WEF) in full and strives to earn the Award of Excellence.**
 - A. This is achieved through accomplishing one or a combination of the following:
 1. Thanksgiving Offering
 2. Easter Offering
 3. Prayer and Fasting Offering
 4. Faith Promise Offering
 5. Any offering designated as WEF Offering
 - B. Award of Excellence: overpay the WEF by 3% or \$1,000.00 (whichever is less)

MISSION PRIORITY ONE PROGRAM REQUIREMENTS:

1. Prayer-The church will pray for missions.
2. Global Awareness- The church will use mission's resources and participate in activities to develop global awareness.
3. Children and Youth- the church will provide opportunity for its children and youth to experience missions and to respond to God's call.
4. Giving- The church will pay World Evangelism fund in full.

III. Each local church fulfills the following financial responsibilities:

- A. **Pay the North Carolina District budget in full**
- B. Pay the LINKS apportionment by September 30 (we are the only District assigned to our LINKS missionaries)
- C. Participate in the Medical Plan through:
 1. Memorial Roll
 2. Distinguished Service Award
 3. Special Medical Plan Offering in May
 4. Gifts from the Heart
- D. **Participate in World Evangelism Broadcast Offering (June emphasis)**
- E. **Participate in the Alabaster offering (September and February)**
- F. **Participate in the Compassionate Ministries Offering (December emphasis)**
- G. **Participate in the District Work and Witness Project Offering (October and March)**
 1. **Project Money goes entirely for materials/supplies to be used on the specific work assignment of the Work and Witness trip.**
 2. **Mail to District NMI Treasurer by October and March in order to help fund the Project Money for the District Work and Witness trips each year.**
 3. **That each church considers when providing its Work & Witness Project offerings the fact that the General church requires a minimum of \$10,000.00 per Work & Witness Project and that generally North Carolina attempts to have two District Work & Witness trips per year.**
- H. **If possible, each local church will host or co-host a missionary speaker each year and provide Deputation Offering in line with General NMI Handbook and Constitution recommendations.**

The following minimum offering scale is recommended:

 1. **Sunday Morning Service.....\$400-500**
 2. **Sunday Evening Service.....\$250-\$350**
 3. **Weekday Service..... \$225-\$325**
 4. **Faith Promise Convention.....\$700-No limit**
 5. **District NMI Convention.....\$1,000.00**

IV. Each local church finds a way to give 10% of the total church income to World Evangelism. Recognizing the impact that churches around the world

have found by using Faith Promise giving as one of the most effective and powerful way to raise this WEF completely and even overpay it, every church is encouraged to at least try the method of Faith Promise to raise WEF and 10% giving.

- V. Each local church achieves Mission Priority One Award and North Carolina Honor Society status

PROCEDURES THAT WILL AID AND ASSIST THE LOCAL CHURCH IN REACHING ALL GOALS

1. Participation by each church in an organized PRAYER and fasting program a. Utilizing the Prayer Mobilization Line by Facebook: <http://www.facebook.com/NMIPrayer> b. Utilizing the Prayer Mobilization Line by Internet at <http://www.nazarenemissions.org> (then click on "Prayer Mobilization Line") c. Join our district Facebook page by logging on to your Facebook account and then typing NC District NMI
2. Promotion of mission education through mission reading books and other methods according to the guidelines/requirements for mission education (these guidelines and requirements are found in the NMI Handbook and Constitution and Mission Priority One Guidelines)
3. Annual subscription and reading of the Holiness Today magazine by every church family
4. Use of the current NMI Handbook.
5. Quarterly meetings of the Local NMI Council for planning, promotion and evaluation
6. Participation in available workshops, Missional Area, District and Southeast Regional meetings.
7. If possible, mission education shall be accomplished through monthly local NMI meetings promoting the monthly calendar emphasis, prayer and mission study. Use of a variety of mission education resources is recommended: mission education curriculum now named Living Mission, videos, deputation speakers, dramas, etc. Remember that the curriculum is only a guide and resource and does not have to be covered in detail monthly in order to accomplish true mission education in the local church. We encourage the freedom of each local NMI to provide exciting, interesting, innovative mission education in whatever forum works best for each local congregation. We encourage the regular use of mission spots in Sunday services to reach the greatest number of people.
8. Look for mission opportunities in your community, Ex: Salvation Army, Local homeless shelter.
9. Utilization of available NMI News services
 - a. World Mission Video Magazine
 - b. Global Glimpses

- c. Engage Magazine (online magazine: www.engagemagazine.com)
 - d. www.nazarene.org for pictures, names, locations of missionaries on the field
10. Promoting, hosting and attending services with missionaries on deputation and other mission speakers.
 11. District Goal- each church is encouraged to prepare and send at least 1 or more boxes (each) of Crisis Care Kits (CCK's) and School Pal Paks (SPP's).

REPORT OF CERTIFIED PUBLIC ACCOUNTANT

Mr. Jonathan Elkins, Treasurer
North Carolina District
Church of the Nazarene

I have audited the statement of receipts, disbursements, and cash balance of the North Carolina District, Church of the Nazarene for the year ended March 31, 2019. This statement is the responsibility of the District. My responsibility is to express an opinion on the statement based on my audit.

The audit was conducted in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the statement is free of any material misstatement. Those standards also include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. However, with respect to cash receipts, it was impractical to extend the examination beyond the receipts recorded. In addition, no written support existed for loan to help churches on a short term basis. Only payments and corresponding receipts are recorded and balance remaining. Property values were estimated and have not been adjusted to market changes. I believe that my examination provided a reasonable basis for my opinion.

In my opinion the statements referred to above presents fairly the receipts, disbursements, and cash balance of the North Carolina District, Church of the Nazarene for the year ended March 31, 2019.

NOTES & RECOMMENDATIONS

Mr. Fred Brucker, Treasurer
North Carolina District
NCNYI Ministries

During the process of the annual audit of the NCNYI a few items needed more explanation and they are listed below:

1. Upon review it was discovered that there was an additional bank account that was not reported on the prior years report. This account is the BB&T account that has been in use as a pseudo petty cash type account for the convenience of the director during events in process. This was not reported to me in prior years. The balance as of the start of the year was \$3,187.10 as a carryover of prior year's accumulated activity. This amount has been rolled into the reports as NYC - 2017 - 2018 and will be tracked going forward. It is recommended that the account adds the Treasurer to the signature card for a second authorized signer, and have on-line capabilities if the account is maintained. Otherwise the account should be merged into the NCNYI general account and closed.
2. The report with "Designated Reserves / Year End Balances" illustrates the totals in the three bank accounts total by Fund. It is assumed that TTF / TNT, NYC & YES Seminars are the only accounts that carry over from year to year. All other funds, Teen Camp, Fall Retreat, Quizzing & NYI Missions / Events are tracked for the year and then rolled into the General Fund at year end. They start back at a zero balance each year.
3. Year end outstanding checks and deposits in transit are reported in the reports on the accrual basis.
4. The negative revenue reported for the Quizzing Fund is a way of showing the refund of prior year fees that were canceled. It was reported this way rather than combining with expenses to separate the prior year from the current year activities.
5. No loans are attributed to the NCNYI currently.

Notes & Recommendations are to help enhance clarity to the reports.

REPORT OF CERTIFIED PUBLIC ACCOUNTANT

Mr. Mel Fry, Treasurer
North Carolina District
Nazarene Missions International

I have audited the statement of receipts, disbursements, and cash balance of the North Carolina District, Nazarene Missions International, for the year ended March 31, 2018. This statement is the responsibility of the District. My responsibility is to express an opinion on the statement based on my audit.

The audit was conducted in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the statement is free of any material misstatement. Those standards also include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. However, with respect to cash receipts, it was impractical to extend the examination beyond the receipts recorded. I believe that my examination provided a reasonable basis for my opinion.

In my opinion the statement referred to above presents fairly the receipts, disbursements, and cash balance of the North Carolina District, Nazarene Missions International, for the year ended March 31, 2018.
